AMENDED CLAIMS

- -- 99. A method for treating a mammal in need of therapeutic treatment comprising administering to said mammal
 - (c) an amount of a first compound, said first compound being amlodipine or a pharmaceutically acceptable acid addition salt thereof; and
 - (d) an amount of a second compound, said second compound being atorvastatin or a pharmaceutically acceptable salt thereof; [wherein said first compound and said second compound are each optionally and independently administered together with a pharmaceutically acceptable carrier or diluent]

wherein said first compound and said second compound are administered in a single pharmaceutical composition together with a pharmaceutically acceptable carrier or diluent. - -
